Rappin’ on the Men Who Find Their Women on the Rack

I'm not an airbrush perfect
big hair-do
nails painted
lispstick wearing
color glossy fold-out
my pussy isn't shaved porno pink
buy me at the corner liquor store?-
Nope.
Boy, you gotta think

You wanna hang with me
you gotta make up your mind
'cause I'm a short haired
hang nailed
no bootie
small titted real woman
damn I'm fine
